Therap PSP**

HL7/Health Information Exchange Hospital Interface service (Pilot)

Pricing to be announced.

- Payment and service/support begins on activation and provisioning of an account.
- Ask for Discounts for advanced payments.
- On-Site Training Costs - Initial on-site training is included in state contract. Therap may reduce training costs to reflect efficiencies in training, marketing benefits and other reasons.
- Therap may reduce initial period prices to reflect efficiencies in marketing, training or other startup costs and where an initial user is in a referencable sector that may help Therap develop local and state compatibility.
- If an agency uses Therap for 100% of its individuals, then future individuals will be at the same price package. Otherwise, agencies may add people during the first year of service at the same pricing structure they started with, but individuals added after 12 months will be at future price structures.
- Invoices must be paid on time to maintain discount level and to maintain prices from this price sheet.
- Additional modules or applications may be added in the future which may have additional charges.
- 4th year pricing will be based on increase in CPI.
- Minimum annual fee - \$750 per year per provider.
