Agency Specific

Room: 154

02/ 08/2011 - 02/10/2011

Make an Appointment at the Support Desk or email support@therapservices.net to schedule in advance and guarantee a slot

*This is a tentative schedule put up for illustration purpose. Times and Sessions are subject to change and/or cancellation.

Modules

Cross Provider Discussions

- Brainstorm about sharing data with other provider agencies. **See: L10**
- Brainstorm about COIS. **See: L13,**
- Cross Provider Issues. Sharing Your Data in Therap. **See: E20**

eChat

- eCHAT: Therap's new, premium Electronic Comprehensive Health Assessment Tool designed in conjunction with the State of New Mexico. **See: D5, E11, E18**

Therap for States

- Therap for States :: An Introduction to Therap's new application for handling intake, eligibility, referral, Case Management, and much more **See: I2, I18**
- Communicating with state and county staff about Therap. **See: I6**
- State Access: What is the impact of having state staff directly accessing provider data? **See: M7**
- Brainstorm with Therap programmers about functionality for state and government users. **See: L11**
- Implementing Therap across a state or county. **See: I14**
- Managing a Therap State/County/Mutli-Agency account. **See: I17**

Personal Finance Made Easy

- This will provide users with interactive examples of how using the Therap Personal Finance Module will make bookkeeping a lot simpler than the paper days. This session will include introductory information such as administrative tasks, creating accounts, creating transactions, and running reports. This session will also go through unique ways to use the Personal Finance module, such as specific reports for budgeting and communication between programs concerning personal finances. **See: G11**

Therap Through the Eyes of the Service Coordinator

- A brief overview of how **The Resource Center** is using Therap in regard to Service Coordination, followed by a Q&A session. **See: J5**

User's Presentations, Panels and Discussions

Check the sessions taking place in Lorelie and Georgian throughout the three days conducted by the expert users of Therap Applications. Topics range from basics of implementation to advanced ones.

See: E5, J5, Colume F & G

Therap Mobile Apps

Brainstorm about Mobile Applications.

See: L2, M3-6, M12, M18, M20

Outside Vendors Presentations

CARF

- Risk Management and Sentinel Events – methods for training and managing services to reduce risks for persons served and staff. **See: K2, K5**
- Discussion on using Therap for CARF Surveys. **See: K6**
- CARF: Using Data in the planning and managing of person centered outcomes. **See: K10**

Talintel System

- Introduction to the talintel System: An innovative, research-based, online survey to effectively align direct support providers with consumers is significantly reducing turnover costs, improving the quality of support services and enhancing career fulfillment for DSPs. **See: K4, K6, K11, K13, K17, K20**

College of Direct Support

- **K 3, K7, K13, K14, K18, K19**
